

*B*ecome a Member of the ICM Family.
Underwrite a Park ICM Student Scholarship Today.

The Park ICM Scholarship Circle was founded to help our students achieve their dreams of having distinguished professional careers on the concert stage. We recruit future ICM students from across the globe, many of who must have financial support in order to pursue their artistic visions.

The Scholarship Circle is an exclusive group of donors who have the passion to sponsor an ICM student.

Investment: \$25,000

Your support of our exclusive program means you immediately provide support for the next generation of accomplished musicians by:

- 1. Helping to deliver exceptional training:** Our program offers training with an international faculty of renowned excellence in a focused and creative atmosphere not often found in most conservatories.
- 2. Aiding us in the attraction of top-level students:** We compete with well-known programs from New York to California. To attract the most sought-after students, we must be able to offer full scholarships.

**YOU CAN MAKE A
PERSONAL DIFFERENCE
IN THE LIFE OF AN
ICM STUDENT**

It's true. Members of Park International Center for Music's Scholarship Circle instantly become family. Our scholarship recipients are often many thousands of miles from home, away from family and in need of much more than your financial assistance. With a program of our size, your support can have greater impact and so can you. Your donation is an investment in the future of an accomplished student musician who aspires to artistic excellence. Knowing he or she has your support helps to inspire an amazing work ethic and the desire to perform great music at the highest professional level.

We Hope You'll Become a Part of Park ICM's Scholarship Circle Today!

Park University is a private, not-for-profit institution that does not receive state-funded support. Although the Park ICM program receives generous support from the University, a portion of its operational expenses and scholarships awarded to qualified students is dependent upon fund-raising initiatives through Park University and the generous support of music lovers like you.
